Why is it important to support the parishes financially?

Just like any other charity or non-profit organization, it costs money to keep St. Philip Parish and St. Clare Mission afloat. For example, the annual operating expenditure budget of St. Philip Parish is approximately \$155,000, which goes towards paying for the following items:

- Paying for the parish priest, the parish office administrator, replacement priests to say Mass and the parish bookkeeper;
- Diocesan tax on parish revenues (donations);
- Utilities (heat, hydro, water, sewer, utilities, etc.)
- Repairs and maintenance on St. Philip Church, the Parish Hall, and other buildings and grounds;
- Office expenses; and,
- Pastoral expenses.

In addition, St. Philip Parish also spends about \$10,000-\$20,000 per year on major projects and renovations to replace and/or renovate the parish buildings and other items within the parish.
